

Turma do Pagode - Já Virou Rotina

tom: A

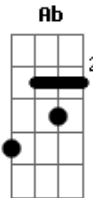

Me procurandoainda não me encontrei
 Sofro, te amando como sempre te amei
 O que é que eu faço com esses sonhos que guardei
 Se na verdade, é você quem faz sonhar
 Essa paixão ta virando loucura
 Quase ninguém me atura
 Luto, mas não dá pra controlar
 Falo no seu nome toda hora

Já virou rotina é sempre assim
 Louco por você sofro por você
 E nada de você voltar pra mim, eu falo!
 Falo no seu nome toda hora
 Já virou rotina é sempre assim
 Louco por você sofro por você
 E nada de você voltar pra mim
 Turma do pagode
