

Turma do Printy - Nosso Esconderijo

tom:

C

Espírito de Deus vem reinar
 Sobre este povo que vem te adorar
 E tudo que em nós não te agrada
 Através da cruz venhas mortificar

Pois te amamos
 Tú és o nosso Deus
 És o nosso esconderijo
 Quando vem a noite fria
 Toda nossa busca
 Terminou em tí

Espírito de Deus vem curar
 As chagas deste povo
 Que vem te invocar
 E tudo que ferir e machucar

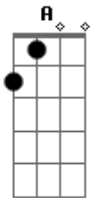

Com as tuas mãos nos venha restaurar

Pois te amamos
 Tú és o nosso Deus
 És o nosso esconderijo
 Quando vem a noite fria
 Toda nossa busca
 Terminou em tí

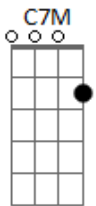

Vem realizar coisas eternas entre nós
 Venha ministrar o teu perdão
 Restaurando vidas no poder de tua voz
 Refletindo luz na escuridão, Senhor

Espírito de Deus, espírito de Deus
 Toda a nossa busca terminou aqui
 Pois nós te amamos
 Toda nossa busca terminou em tí
