

The Turtles - Happy Together

tom:
 Capostraste na 2ª casa
 Gbm (forma dos acordes no tom de Em)

Imagine me and you, I do
 I think about you day and night, it's only right
 To think about the girl you love and hold her tight
 So happy together

If I should call you up, (call you up) invest a dime
 And you say you belong to me, (ease my mind) and ease my mind
 Imagine how the world could be, (very fine) so very fine
 So happy together

I can't see me lovin' nobody but you
 For all my life
 When you're with me, baby, the skies'll be blue
 For all my life

Me and you, (you and me) and you and me
 No matter how they toss the dice, (had to be) it had to be
 The only one for me is you, (you for me) and you for me

So happy together

I can't see me lovin' nobody but you
 For all my life
 When you're with me, baby the skies'll be blue
 For all my life
 Me and you and you and me
 No matter how they toss the dice, it had to be
 The only one for me is you, and you for me
 So happy together

Papapapa papararapapa parapapá

Me and you, and you and me
 No matter how they toss the dice, it had to be
 The only one for me is you, and you for me
 So happy together

How is the weather?
 So happy together
 We're happy together
