        If you'd like to know where was I last night

            Em
        Well I saw a girl with a boy in her eye
             F
        And she's so out of sight

              F                                Bb
        She's my girl, and that's where I was last night
                   E            G          Gb  F    E    E
        Off in a dream /  /  /   /  /  /  /   /  /  /  /   /
/  /  /

Chorus 1:

              E                               C
        She's my girl I took her away last night
        We went for a ride

        Bm [N.C.]                    A           B
        Off in the sky that's where I was last night

[Intro (2 bars on Em )]

Verse 2:

        I just come back to tell you
        There's a little bit of heaven underneath the apple
tree
        And every time I see you with that smile on your face
        There's a little bit there for me and

        She's my girl, and that's where I was last night
        Went for a ride

Chorus 2 [3/4 time]:

        She's my girl, I took her away last night
        We went for a ride
        My girl and that's where I was last night
        Off in the sky

        [back to 4/4 time]

        Bm            A     B
         /  /  /  /   /  /  /  /

Chorus 3:

        She's my girl, I took her away last night
        Off in the sky
        My girl and that's where I was last night
        Gettin' so high
        Bm [N.C.]
        Off in the sky that's where I was last night

Coda:
              E                                C
        She's my girl, I took her away last night
        We went for a ride
        My girl and that's where I was last night
        Gettin' so high
        My girl, I took her away last night
        Off in the sky
        My girl and that's where I was last night
        Gettin' so high                [fade]
