

# TV Girl - My Girlfriend

tom:

C

My girlfriend gets so depressed

C

Am

She never leaves the house

G

She doesn't even get dressed

F

My girlfriend always leaves a mess

She says she's gonna to clean

G

But she always forgets

F

My girlfriend is there when I get home

Am

Watching movies on TV

G

Or talking on the phone

F

Sometimes I wanna leave

Am

But I've got nowhere to go

G

But hey nobody's perfect

F

No one wants to be alone

My girlfriend is so unimpressed

Am

By everything I say

G

You can see it in her face

F

I don't say much

I just hope and pray

Am

There's been some big mistake

G

F

And buy her flowers just in case

And I don't mind it

When she goes out with her friends

And they drop her off drunk

And I take her up to bed

She's say: I'm sorry

And I kiss her on the head

And everything is fine

Until the morning comes again

I remember when we were in high school

I took her to the dance

We snuck out to the bleachers

And I thought that I might take a chance

But it never does any long-term good

To go thinking about the past

God damn this wandering mind of mine

That can't be happy with what it has

But I'm not mad

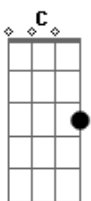

And sometimes we still laugh

And when she's just getting up

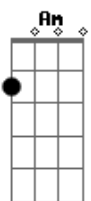

And the Sun hits her right

She doesn't even look half bad
