tom:

**D**

**Dm** **Bb** **C**

**F**  
It might be impractical to seek out a new romance  
**Dm** **Bb** **C** **F**  
We won't know the actual if we never take the chance  
**Dm** **Bb** **C**

**F**  
I'd like to collapse with you and ease you against this song  
**Dm** **Bb** **C** **F**  
I think we're compatible, I see that you think I'm wrong

**Bb** **F** **C** **Dm**  
But anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, no choice of words will break me from this room  
**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, the choicest words will take me back to you  
**Dm** **G**  
Oh oh ohooooh

**Dm** **Bb** **C** **F**  
Your love makes a fool of you, you can't seem to understand  
**Dm** **Bb** **C** **F**  
A heart doesn't play by rules and love has it's own demands  
**Dm** **Bb** **C** **F**  
But I'll be there to take care of you if ever you should decide  
**Dm** **Bb**  
But you don't want to waste your life  
**C** **F**  
In the middle of a lovesick lullaby

**Bb** **F** **C** **Dm**  
But anytime will do, my love

**Bb** **F** **C** **Dm**  
Anytime will do, no choice of words will break me from this room  
**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, the choicest words will take me back to you  
**Dm** **G**  
Oh oh ohooooh

**D** **Bb** **Am**  
Oh my reddest rose, caldera, set it off  
**D** **Bb** **Am**  
How your fire grows hermosa caldera glistening  
**D** **Bb** **Am**  
Through your fussed blows careen your caldera set it off  
**D** **Bb** **Am**  
As your body flows the second hand flashes passes  
**Bb**  
Over your skin like time

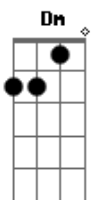

**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, my love

**Bb** **F** **C** **Dm**  
But anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, no choice of words will break me from this room  
**Bb** **F** **C** **Dm**  
Anytime will do, my love  
**Bb** **F** **C** **Dm**  
Anytime will do, the choicest words will take me back to you  
**Dm** **G**  
Oh oh ohooooh
