

TW3LV - Together (feat. Jack Wilby)

Tom: C

apotraste na 3ª casa **G7M**
 When the dark sky, doesn't feel right
 I get close to you

Bm When it's hard times, I can't get by **A**
 If I'm not close to you **G7M**

Well I can't help but see that **Em**

There's a tension building
 (I can't stand it, I can't stand it)

Bm The fire will rise, if we all unite **A**
 So help me make the sun shine

G7M
 Oh I feel like there's no one together **Em**

Now it's real, that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all

G7M
 Oh I feel like there's no one together **Em**

Now it's real that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all

G7M
 There's a new light **Em**

In the dark sky
 But no one sees the truth **Bm**

Yeah
 Now we've waited **A**

Times are changing
 So I get close to you **G7M**

Oh I can't help but see that
 There's a tension building

Em (I can't stand it, I can't stand it) **Bm**

The fire will rise, if we all unite **A**

So help me make the sun shine

Em **G7M**
 Oh I feel like there's no one together **Em**

Now it's real, that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all **G7M**

Oh I feel like there's no one together **Em**

Now it's real that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all

G7M
 We're done with all of the pain **Em**

Now it's out time to change it **Bm**

Where's the kindness we shared? **A**

Where did this all get jaded? **G7M**

Hoping just ain't enough **Em**

We need to make it back soon **Bm**

Before we lose it all **A**

We need to make it back through

G7M
 Oh I feel like there's no one together **Em**

Now it's real, that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all **G7M**

Oh I feel like there's no one together **Em**

Now it's real that we're miles from home **Bm**

Oh I feel like there's no one together **A**

At all, at all
