

# Twenty One Pilots - Anathema

Tom: G

G Am Em  
You will never know what's behind my skull

D  
So won't you say goodnight so I can say goodbye.

G Am Em  
You will never know what's under my hair

D  
So won't you say goodnight so I can say goodbye.

G Am Em  
You will never know what's under my skin

D  
So won't you say goodnight so I can say goodbye.

G Am Em  
You will never know what is in my veins

D  
So won't you say goodnight so I can say goodbye.

G Am  
Won't you go to someone else's dreams

Em D  
Won't you go to someone else's head

G Am  
Haven't you taken enough from me

Em D  
Won't you torture someone else's sleep?

G Am  
And you will never know what I'm thinking of

Em D  
So won't you say goodnight so I can say goodbye

G Am  
And you will never understand what I believe

Em D  
So won't you say goodnight so I can say goodbye.

G Em  
Haven't you taken enough from me

Am D  
Won't you torture someone else's sleep?

G Am  
Won't you go to someone else's dreams

Em D  
Won't you go to someone else's head

G Am  
Haven't you taken enough from me

Em D  
Won't you torture someone else's sleep?

G  
I start to part two halves of my heart in the dark and I

Am  
Don't know where I should go

Am  
And the tears and the fears begin to multiply

Em  
Taking time in a simple place

D  
In my bed where my head rests on a pillowcase

D  
And it's said that a war's lead but I forget

G  
That I let another day go by

G  
I want to be afraid but it seems that these days

Am  
I'm caught under water and I'm falling farther

Em  
My heart's getting harder, I'm calling my father

D  
Am I screaming to an empty sky?

G Am  
Empty sky, no way, that's me 'cause one half of my heart is

Em D  
free

G  
Empty sky, no way, that's me 'cause the other half of my

heart's asleep.
