C Am E
Wait for them to ask you who you know
C Am E
Please don't make any sudden moves
C Am E
You don't know the half of the abuse

Welcome to the room of people
Em
Who have rooms of people that they loved one day

Docked away
Am
Just because we check the guns at the door
Em
Doesn't mean our brains will change from hand grenades
C Am E
You'll never know the psychopath sitting next to you
C
You'll never know the murderer sitting next to you
Am B7
You'll think, how'd I get here sitting next to you?

But after all I've said, please don't forget

C

We don't deal with outsiders very well
Em
They say newcomers have a certain smell
Am
You have trust issues, not to mention
Em
They say they can smell your intentions
C Am E
You'll never know the freakshow sitting next to you
C
You'll have some weird people sitting next to you
Am B7
You'll think "How'd I get here, sitting next to you"
But after all I've said, please don't forget

Why'd you come, you knew you should have stayed
(It's blasphemy)
C Am E
I tried to warn you just to stay away
C Am E
And now they're outside ready to bust
C Am E
It looks like you might be one of us
