

Twenty One Pilots - Kitchen Sink

Tom: **B**

B
 Nobody thinks what I think,
E
 Nobody dreams when they blink
Abm
 Think things on the brink of blasphemy
 I'm my own shrink
Gb
 Think things are after me, my catastrophe
B **E**
 I'm a kitchen sink, you don't know what that means
Abm
 Because a kitchen sink to you
Gb
 Is not a kitchen sink to me, OK friend?
B
 Are you searching for purpose?
E
 Then write something, yeah it might be worthless
Abm
 Then paint something then, it might be wordless
Gb
 Pointless curses, nonsense verses
B
 You'll see purpose start to surface
E
 No one else is dealing with your demons
Abm
 Meaning maybe defeating them
Gb
 Could be the beginning of your meaning, friend.
E **Gb** **Abm** **Gb** **E**
 Go away go away go away go away.
Gb **Abm** **B** **E**
 Leave me alone leave me alone leave me alone leave me alone.
 leave me alone. leave me alone. leave me alone.
B **E**
 Nobody thinks what you think, no one
Abm
 Empathy might be on the brink of extinction

They will play a game and say
 They know what you're going through
Gb
 And I tried to come up with an artistic way to say
B
 They don't know you, and neither do I
E
 So here's a prime example of a stand up guy
Abm
 Who hates what he believes and loves it at the same time
Gb
 Here's my brother and his head's screwed up
 But that's alright.
B
 Time gains momentum the moment when I'm living in 'em
E **Abm**
 I'm winning a momentary sinning a moment passing after
Gb
B
 Pretending enemies are friend of me, sending me straight to
 bending me
E
 My bad behavior but I bet I could have been a better man
Abm
 Copy and paste caught me, and copy, better rhymes bother me
Gb **B**
 The better the rhythm the badder I am but I bet I'll battle
 with 'em battle
E
 better I am, Gambling man, better bet I am a gambling man, I
 am?
E **Gb** **Abm** **Gb** **E**
 Go away go away go away go away.
Gb **Abm** **B** **E**
Gb
 Leave me alone leave me alone leave me alone leave me alone.
 leave me alone.
Abm **Gb**
 Dont leave me alone. Dont leave me alone
