

Twenty One Pilots - Leave The City

Tom: C

I'm tired of tending to this fire
 I've used up all I've collected
 I have singed my hands
 It's glowing, embers barely showing
 Proof of life in the shadows
 Dancing on my plans
 They know that it's almost
 They know that it's almost over
 They know that it's almost
 They know that it's almost over

(C Em D Bm)
 (C Em D Bm)

The burning is so low it's concerning
 'Cause they know that when it goes out
 It's a glorious gone
 It's only time before they show me
 Why no one ever comes back
 With details from beyond

They know that it's almost
 They know that it's almost over
 They know that it's almost
 They know that it's almost over
 They know
 They know that it's almost over
 They know

They know that it's almost over
 They know
 They know
 In time, I will leave the city
 For now, I will stay alive
 In time, I will leave the city
 For now, I will stay alive
 In time, I will leave the city
 For now, I will stay alive
 In time, I will leave the city
 For now, I will stay alive
 In time, I will leave the city
 For now, I will stay alive

They know that it's almost
 They know that it's almost over
 They know that it's almost
 They know that it's almost over
 They know
 They know

Last year I needed change of pace
 Couldn't take the pace of change
 Moving hastily
 But this year, though I'm far from home
 In Trench I'm not alone
 These faces facing me

They know
 They know
 They know
 What I mean
