Dear friend, here we are again pretending  
To understand how you think your world is ending  
Sending signals and red flags in waves  
It's hard to tell the difference between blood and water these days  
I'll pray that one day you see  
The only difference between life and dying  
Is one is trying, that's all we're called to do  
So try to love me and I'll try to save you.

G D  
Won't you stay alive  
Em  
I'll take you on a ride  
C D  
I will make you believe you are lovely.
