

Twenty One Pilots - Oldies Station

tom:

Intro: A D A D

A D
Only consistency in your periphery
A D
Is fear and the bridge of your nose
A
And as you move about
D
You learn to tune 'em out
A D
But they say they continue to grow

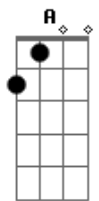

A D
Fear of the past and (relative pain)
A D
Future's comin' fast, you've got (nothin' in the tank)
A D
In a season of purging things you used to love
A D
Everything must go, mm-hm

Gbm E D
Make an oath, then make mistakes
Gbm E D
Start a streak you're bound to break
A E Db E D
When darkness rolls on you

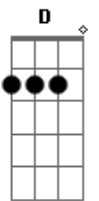

A
Push on through
D A D
Push on through

A D
Then before you know, you lose some people close
A D
Forcing you to manage your pace
A D
Found your capacity for love and tragedy
A D
Embracing how things always change
A D
You've had your turns with (relative pain)
A D
Little less concerned when there's (nothin' in the tank)
A D
In a season of lessons learned in giving up

A D
You learn what you can and can't take, mm-hm

Gbm E D
Add some years, build some trust
Gbm E D
You start to feel your eyes adjust

A E Db E D
When darkness rolls on you

D
Push on through
A Db Gbm E
(Push on through)

(Bm A Db Gbm E)

(You don't quite mind)

(You don't quite mind)

D A Db
You don't quite mind how long red lights are takin'

Gbm E
(Push on through)

Bm A Db
Your favorite song was on the oldies station

Gbm E
(Push on through)

D A
You have it downt

Db
That old fight for survival

Gbm E
(Push on through)

Bm A Db
You're in the crowd at her first dance recital

Gbm E
(Push on through)

D A Db
Make an oath, then make mistakes
