Em
(Wait, what? Wait, what?)
Em
(Wait, what? Wait, what?)

Em
Earned my stripes, 300 tracks in my Adidas track jacket
Bless your ear holes while you react
Acting gobsmacked don't hesitate to maybe overcompensate

Em
I feel like I was just here, same twitching in my eyes

Don't sleep on a boy who can't fall asleep twice

In the same night
And won't hesitate to maybe overcompensate
C D A C
I fly by the dangerous bend symbol

Don't hesitate to maybe overcompensate
C D A
And then by the time I catch in my peripheral
Don't hesitate to maybe overcompensate

Em Em
Where am I from? I was born right here, just now

Em Em
Originated right in front of your eyes

If you can't see, I am Clancy
Em
Prodigal son, done running, come up with Josh Dun Em

Wanted dead or alive

Em
So now you pick who you serve

You bow to the masses
Em
Get kicked to the curb

For passing the classes
Em
Half empty, half full, save half for your taxes

Then overtake your former self

C D A C
I fly by the dangerous bend symbol

Don't hesitate to maybe overcompensate
C D A

And then by the time I catch in my peripheral
C D

Don't hesitate to maybe overcompensate
Em
Days feel like a perfect length

Em
I don't need them any longer

But for goodness sake

Do the years seem
Em
Way too short for my soul, corazón
Em
Way too short for my soul, corazón

Em
Days feel like a perfect length

Em
I don't need them any longer

But for goodness sake

Do the years seem

Way too short for my soul, corazón
