

Twenty One Pilots - Safe And Sound / Get Lucky

Tom: C
Intro: F C
I could lift you up
I could show you what you want to see
And take you were you want to be
You could be my luck
Even if the sky is falling down
You know that we'll be safe and sound
[Ponte]
Do do do dododo do do we're safe and sound
Do do do dododo do do we're safe and sound
Do do do dododo do do we're safe and sound
Do do do dododo do do

[Verso]
Like the legend of the Phoenix
All ends were beginning
What keeps the planet spinning
The force from the beginning

[Refrão]
We've come too far
To give up who we are
So lets raise the bar

And our cups to the stars
We're up all night for good fun
She's up all night for good sun
I'm up all night for good fun
We're up all night to get lucky

I'm up all night to the sun
I'm all night to get some
We're up all night for good fun
She's up all night to get lucky

I'm up all night to get lucky
I'm up all night to get lucky
I'm up all night to get lucky
I'm up all night to get lucky

Do do do dododo do do I'm up all night to get lucky
Do do do dododo do do we're safe and sound
Do do do dododo do do we're safe and sound
Do do do dododo do do I'm up all night to get lucky

Do do do dododo do do we're safe and sound
Do do do dododo do do I'm up all night to get lucky

Do do do dododo do do we're safe and sound
Do do do dododo do do I'm up all night to get lucky
