

Twenty One Pilots - Saturday

tom:

Fm (forma dos acordes no tom de Em)

Capostrate na 1ª casa

[Refrão]

Slow down on Monday
 Not a sound on Wednesday, yeah
 Might get loud (ayy) on friday
 But on Saturday, Saturday, Saturday
 We paint the town

[Primeira Parte]

Lose my sense a time or two
 Weeks feel like days
 Medicate in the afternoon
 And I just want to know
 Have you lost your footing, too?
 I just pray that I'm not losing you

[Pré-Refrão]

Catch me floatin' circles in my fish bowl
 Keep things fresh
 She said that I should change my clothes
 I exaggerate the life
 We used to know, oh, oh

[Refrão]

Slow down on Monday
 Not a sound on Wednesday, yeah
 Might get loud (ayy) on friday
 But on Saturday, Saturday, Saturday
 We paint the town

[Ponte]

Ooh, you're good
 These are my dancing shoes

We paint the town
 Ooh, you're good
 Thought I would dance with you
 Might get loud on Friday
 But on Saturday, Saturday, Saturday
 We paint the town

[Segunda Parte]
 (Feelin' great)
 Life moves slow on the ocean floor
 (Feelin' great)

I can't feel the waves anymore
 Did the tide forget to move?
 I just pray that I'm not losin' you

[Pré-Refrão]

Catch me floating circles in my fish bowl
 Keep things fresh

She said that I should change my clothes
 I exaggerate the life
 We used to know, oh, yeah
