(com acordes na forma de Capostrate na 5ª casa C)

Intro: C G Am G F G C

I do not know why I would go,
 In front of you and hide my soul,
 'Cause you're the only one who knows it,
 Yeah you're the only one who knows it,
 And I will hide behind my pride,
 I don't know why I think I can lie,
 'Cause there's a screen on my chest,
 Yeah there's a screen on my chest.
 I'm standing in front of you,
 I'm standing in front of you,
 I'm trying to be so cool,
 Everything together, trying to be so cool. [2x]
 I can't see past my own nose,
 I'm seeing everything in slow-mo,
 Look out below crashing down to the ground,
 Just like a vertical locomotive, that's a train,

Am I painting the picture that's in my brain?
 A train from the sky, locomotive, my motives are insane,
 My flow's not great, ok,
 I conversate with people who know,
 If I flow on a song I'll get no radio play,
 While you're doing fine, there's some people and I,
 Who are having a really tough time getting through this life,
 So excuse us while we sing to the sky.
 I'm standing in front of you,
 I'm standing in front of you,
 I'm trying to be so cool,
 Everything together, trying to be so cool. [2x]

Ponte:

We're broken, we're broken
 We're broken, we're broken people
 We're broken people. yeah
 I'm standing in front of you,
 I'm standing in front of you,
 I'm trying to be so cool,
 Everything together, trying to be so cool. (2x)
