

# Twenty One Pilots - Shy Away

tom:  
C

When I get home  
You better not be there  
We're placin' bets you won't  
Shed your modesty  
And the only thing to leave behind  
Is your own skin on the floor

Don't you shy away  
Manifest a ceiling  
When you shy away  
Searchin' for that feelin'  
Just like an "I love you" (Ooh, ooh)  
That isn't words (Ooh, ooh)  
Like a song he wrote, that's never heard  
Don't you (Ssh)  
( F Am G Em C G )

When you get home  
You barely recognize the pictures  
They put in a frame  
'Cause you shed your mod?sty  
Don't circle the track  
Take what you hav?  
And leave your skin on the floor

Don't you shy away

Manifest a ceiling  
When you shy away  
Searchin' for that feelin'  
Just like an "I love you" (Ooh, ooh)  
That isn't words (Ooh, ooh)  
Like a song he wrote, that's never heard  
When I get home  
Boy, you better not be there  
You're long gone  
You shed your modesty  
Don't circle the track  
Just break the cycle in half  
And leave your skin on the floor

Don't you shy away  
Manifest a ceiling  
When you shy away  
Searchin' for that feelin'  
Just like an "I love you" (Ooh, ooh)  
That isn't words (Ooh, ooh)  
Like a song he wrote  
That's never heard  
That's never heard  
An "I love you"  
That isn't words  
Like a song he wrote  
That's never heard  
Don't you shy away
