

Twenty One Pilots - Snap Back

tom:

C

Intro: C F

C
Got a bad feeling that I'm about to break

F
Been a good streak but the pressure's overweight

C
Is it even good for my head to keep track?

F
If I'm gonna snap necks then I gotta snap back

C
Got a bad feeling I'm gonna lose the lead

F
Runnin' from a thing that I kicked in seventeen

C
Is it even right for my head to keep track?

F
If I'm gonna snap necks then I gotta snap back

C
Have I burnt all the bridges?

F
Bite the hand that helps me give it finger stitches

C
Blacklisted from forgiveness

F
Fool you once it's been twenty-five times

C
It's a backslide

F
I commandeered a hot ride

C
Drove it till the engine died

F
All of that progress lost today

C
Got a bad feeling that I'm about to break

Back to the show (been a minute)

F
Guess I better move to a

Fresher approach (thought I kicked it)

C
It's a new adaptation

C
It's a backslide

F
I hate the surprise

C
And now it's all gone

F
All of that progress lost today

(C F)

C7
I have seemed to run out of excuses of

F
Why I am this way

C
Got a bad feeling that I'm about to break

Is it even right for my head to keep track?

F
If I'm gonna snap necks then I gotta snap back

C7
Then I gotta snap back

(C7 F)

(C7 F)

C7
I've been prayin' for my elasticity to

C7
Return to the way that it was

(If I'm gonna snap necks then I gotta snap back)
