But now I'm insecure, and I care what people think

F Dm
Sometimes a certain smell will take me back to when I was young
Am
How come I'm never able to identify where it's coming from
F Dm
I'd make a candle out of it, if I ever found it
Am
Try to sell it, never sell out of it, I'd probably only ever sell one
F Dm
I'd give it to my brother because we have the same nose
Am
Same clothes, home grown, the stones thrown from the creek we used to roam
F Dm
But it would remind of when nothing really mattered
Am
Out of student loans and tree house homes, we all would take the ladder
