Intro: C Am Em Em

C Am
I wish I found some better sounds no one's ever heard
Em
I wish I had a better voice and sang some better words
C Am
I wish I found some chords in an order that is new
Em
I wish I didn't have to rhyme every time I sang
C Am
I was told when I get older all my feels would shrink
Em
But now I'm insecure, and I care what people think

C Am Em
My name's Blurryface, and I care what you think
C Am Em
My name's Blurryface, and I care what you think

CHORUS

C G C E Am
Wish we could turn back time to the good old days
G C Em C
When our mommas sang us to sleep, but now we're stressed out
C G C E Am
Wish we could turn back time to the good old days
G C Em C
When our mommas sang us to sleep, but now we're stressed out
Em C Am Em Em
We're stressed out

C Am
Sometimes a certain smell will take me back to when I was young
Em
How come I'm never able to identify where it's coming from
C Am
I'd make a candle out of it, if I ever found it
Em
Try to sell it, never sell out of it, I'd probably only ever sell one
C Am
I'd give it to my brother because we have the same nose
Em
Same clothes, home grown, the stones thrown from the creek we used to roam
C Am
But it would remind of when nothing really mattered
Em
Out of student loans and tree house homes, we all would take the ladder

C Am Em
My name's Blurryface, and I care what you think
C Am Em
My name's Blurryface, and I care what you think

My name's Blurryface, and I care what you think

CHORUS

G C Em C
When our mommas sang us to sleep, but now we're stressed out

Em D
We used to play pretend, give each other different names
G B
We would build a rocket ship and then we'd it fly far away
Em D
Used to dream of outer space but now they're laughing at our face saying

"Wake up you need to make money"
Em D
We used to play pretend, give each other different names
G B
We would build a rocket ship and then we'd it fly far away
