

Twenty One Pilots - Stressed Out

Tom: C

F
I wish I had written a different song that no one heard
Am
I wanted my mother to admit that she was sick of every word
F
over played, over praised, was a smash hit
Am
Funny how songs that are played too much sound like crap
F
They said our true fans do not like that song
Am
But I hope they sing along. I hope they sing along."

[Verso 2]

F **Dm**
Sometimes a certain smell will take me back to when I was young
Am
How come I'm never able to identify where it's coming from
F **Dm**
I'd make a candle out of it, if I ever found it
Am
Try to sell it, never sell out of it, I'd probably only ever sell one
F **Dm**
I'd give it to my brother because we have the same nose
Am
Same clothes, home grown, the stones thrown from the creek we used to roam
F **Dm**
But it would remind of when nothing really mattered
Am
Out of student loans and tree house homes, we all would take the ladder
