 A2 That I am half a soul divid ed

Bm Sometimes we will die and sometimes we will fly away
 Bm Either way you're by my side until my dying days
 E And if I'm not there and I'm far away

 A2 A breathless piece of death I've made for you
 A A mortal writing piece of song will help me carry on
 A2 But these you heard

Bm Sometimes we will die and sometimes we will fly away
 Bm Either way you're by my side until my dying days
 E And if I'm not there and I'm far away

A I said, "Don't be afraid,"
