

Twenty One Pilots - The Craving (Jenna's Version)

tom:
 Seems I get in my own way
 The more I think, the less I say
 I hope I communicate the craving
 Now I see intentions don't mean much
 Say enough, say enough
 Did I let her know, let her know
 If I found my body in chains
 I'd lay down and wait
 And hope she looks for me
 And hope she looks for me
 She just wants to catch a wave
 Ride it off to the end of the days
 I hope that I can satiate the craving
 Now I see the gesture don't mean much
 Say enough, say enough
 Did I let her know, let her know
