

Twenty One Pilots - The Craving X Tear In My Heart

tom:

[Primeira Parte]

Seems I get in my own way
The more I think, the less I say
I hope I communicate the craving

[Pré-Refrão]

Now I see intentions don't mean much

[Refrão]

Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down and wait

And hope she looks for me
And hope she looks for me

[Segunda Parte]

She just wants to catch a wave
Ride it out to the end of her days
I hope that I can satiate the craving

[Pré-Refrão]

Now I see intentions don't mean much

[Refrão]

Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down and wait

And hope she looks for me
And hope she looks for me

[Refrão]

Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down and wait
?Cause it's the fear of the unknown
That cripples every step we take
And I just hate to put this on her

But I swear that I will give more than I take away

That I will give more
Than I take away

And I say An
And I say nyong

And I say An-nyong
An nyong ha se yo
Intro: G B C

[Primeira Parte]

Sometimes you gotta bleed to know
That you're alive and have a soul
But it takes someone to come around
To show you how

[Refrão]

She's the tear in my heart

I'm alive
She's the tear in my heart

I'm on fire
She's the tear in my heart

Take me higher
Than I've ever been

[Segunda Parte]

The songs on the radio are okay
But my taste in music is your face
And it takes a song to come around
To show you how

[Refrão]

She's the tear in my heart

I'm alive
She's the tear in my heart

I'm on fire
She's the tear in my heart

Take me higher
Than I've ever been

Than I've ever been
Than I've ever been

Than I've ever been
Than I've ever been
