

# Twenty One Pilots - The Craving X Tear In My Heart

tom:

[Primera Parte]

Seems I get in my own way  
The more I think, the less I say  
I hope I communicate the craving

[Pre-Estribillo]

Now I see intentions don't mean much

[Estribillo]

Say enough, say enough  
Did I let her know, let her know  
If I found my body in chains  
I'd lay down and wait

And hope she looks for me  
And hope she looks for me

[Segunda Parte]

She just wants to catch a wave  
Ride it out to the end of her days  
I hope that I can satiate the craving

[Pre-Estribillo]

Now I see intentions don't mean much

[Estribillo]

Say enough, say enough  
Did I let her know, let her know  
If I found my body in chains  
I'd lay down and wait

And hope she looks for me  
And hope she looks for me

[Solo]

[Estribillo]

Say enough, say enough  
Did I let her know, let her know  
If I found my body in chains  
I'd lay down and wait  
?Cause it's the fear of the unknown  
That cripples every step we take

And I just hate to put this on her  
But I swear that I will give more than I take away  
And I will give way more than I take awaaay  
And I say Ann  
And I say yeong  
And I say Ann Yeong  
An-ny?ng-ha-se-yo  
Intro: D - D - D - D  
Gbm - Gbm G - G

Sometimes you gotta bleed to know  
That you're alive and have a soul  
But it takes someone to come around to show you how

[Chorus]

She's the tear in my heart, I'm alive  
She's the tear in my heart, I'm on fire  
She's the tear in my heart, take me higher than I've ever been

[Verse 2]

The songs on the radio are okay  
But my taste in music is your face  
And it takes a song to come around to show you how

[Chorus]

She's the tear in my heart, I'm alive  
She's the tear in my heart, I'm on fire  
She's the tear in my heart, take me higher than I've ever been  
Than I've ever been  
Than I've ever been  
Than I've ever been

[Bridge]

You fell asleep in my car  
I drove the whole time  
But that's okay, I'll just avoid the holes so you sleep fine  
I'm driving here I sit, cursing my government  
For not using my taxes  
To fill holes with more cement  
You fell asleep in my car  
I drove the whole time  
But that's okay, I'll just avoid the holes so you sleep fine  
I'm driving here I sit, cursing my government  
For not using my taxes
