Bm C G  
Lose your mind

(No music)  
He's seen too many stare downs  
Between the sun and the moon  
In the morning air  
How he used to hustle all the people  
Walking through the fairgrounds  
He's been around so long  
He's changed his meaning of a chair now

Because a chair now,  
Is like a tiny island in the sea of all the people  
Who glide across the very surface  
That made his bones feeble  
The end can't come soon enough  
But is it too soon?  
Either way he can't deny  
He is a pantaloon

Hook:

Verse 3:

G C  
You like to sleep alone  
Em  
It's colder than you know  
D  
Cause your skin is so  
G  
Used to colder bones  
C  
It's warmer in the morning  
Em  
Than what it is at night  
D  
Your bones are held together  
C  
By your nightmare and your frights
