

# Twice (K-Pop) - Moonlight Sunrise

tom:

Oh, yeah  
I guarantee I got ya

I've been craving for your love  
Can't see nobody but us (can't see nobody but us)  
So I, so I, so I  
See you from across the room  
Make my way over to you (my way over to you)  
I'm tripping over butterflies

Oh, yeah, baby, I don't really mean to rush  
But I'ma really need your touch  
If I'ma make it through the night  
I got the moonlight  
Tequila sunrise  
Uh, come take a shot on me, I got ya

I don't know how to say this  
I hope this song's on your playlist  
This feeling's so hard to explain  
I don't even know how to talk right now  
It's I need you o'clock right now  
I want you to hear me say

Moonlight sunrise  
Baby, come be my starlight  
Moonlight sunrise  
Oh, baby, just to make you stay  
Moonlight sunrise  
Baby, let's do it all night  
Moonlight sunrise  
I guarantee I got ya

Cards out on the table, what you say?  
I need you, you need me, you're mine  
I'm your moonlight, you're my sunrise, babe

I guarantee I got ya

Moonlight sunrise (oh)  
Baby, come be my starlight (oh, yeah)  
Moonlight sunrise  
Oh, baby, just to make you stay (oh, yeah)  
Moonlight sunrise  
Baby, let's do it all night (baby, let's do it all night)  
Moonlight sunrise (oh, yeah)  
I guarantee I got ya (oh, oh)

Moonlight sunrise  
Baby, come be my starlight (ah, ah, ah)  
Moonlight sunrise (ooh)

Loving undefeated, on your knees pleading  
Baby, you can hit up my line when you need it  
Said that you tried, baby, you succeeded  
Got a craving, baby, can you feed it?

Took a trip under moonlight  
Follow me to the sunrise

I guarantee I got ya (moonlight sunrise)  
Moonlight sunrise (moonlight)  
Baby, let's do it all night (sunrise)

Moonlight sunrise (oh, yeah, yeah)  
I guarantee I got ya (I guarantee I got ya)  
Moonlight sunrise

## Acordes
