

Twice (K-Pop) - Moonlight Sunrise

tom:

Oh, yeah
I guarantee I got ya

I've been craving for your love
Can't see nobody but us (can't see nobody but us)
So I, so I, so I
See you from across the room
Make my way over to you (my way over to you)
I'm tripping over butterflies

Oh, yeah, baby, I don't really mean to rush
But I'ma really need your touch
If I'ma make it through the night
I got the moonlight
Tequila sunrise
Uh, come take a shot on me, I got ya

I don't know how to say this
I hope this song's on your playlist
This feeling's so hard to explain
I don't even know how to talk right now
It's I need you o'clock right now
I want you to hear me say

Moonlight sunrise
Baby, come be my starlight
Moonlight sunrise
Oh, baby, just to make you stay
Moonlight sunrise
Baby, let's do it all night
Moonlight sunrise
I guarantee I got ya

Cards out on the table, what you say?
I need you, you need me, you're mine
I'm your moonlight, you're my sunrise, babe

I guarantee I got ya

Moonlight sunrise (oh)
Baby, come be my starlight (oh, yeah)
Moonlight sunrise
Oh, baby, just to make you stay (oh, yeah)
Moonlight sunrise
Baby, let's do it all night (baby, let's do it all night)
Moonlight sunrise (oh, yeah)
I guarantee I got ya (oh, oh)

Moonlight sunrise
Baby, come be my starlight (ah, ah, ah)
Moonlight sunrise (ooh)

Loving undefeated, on your knees pleading
Baby, you can hit up my line when you need it
Said that you tried, baby, you succeeded
Got a craving, baby, can you feed it?

Took a trip under moonlight
Follow me to the sunrise

I guarantee I got ya (moonlight sunrise)
Moonlight sunrise (moonlight)
Baby, let's do it all night (sunrise)

Moonlight sunrise (oh, yeah, yeah)
I guarantee I got ya (I guarantee I got ya)
Moonlight sunrise
