

# Twin Peaks - Making Breakfast

Tom: E

Watching the garden grow  
 Happy happy days  
 Got egg yolk on my bed, Chinese food on the way

Watching the garden grow  
 Straight into the sky  
 Got a candle by my window it keeps me warm at night

Spending time together  
 Watch out, don't let it get you down  
 Nothing is forever  
 That's right, but don't let it get you down

And I'm sitting in the back of a limousine  
 Just going to a show  
 Wishing you were here right next to me  
 Oh, but you already know

That I'm the one who loves you  
 Watch out, don't let it get you down  
 And there will be no other  
 That's right, but don't let it get you down  
 Oh yeah, making breakfast

Watching the garden grow  
 Such a beautiful day  
 It's raining through the window but I like it that way

Watching the garden grow  
 The color of your eyes  
 Is changing with the season  
 And God only knows why

Spending time together  
 Watch out, don't let it get you down  
 Nothing is forever  
 That's right, but don't let it get you down
