

Two Door Cinema Club - Changing Of The Seasons

Tom: D

so it's over
I didn't realize
it's so much colder
but it was no surprise
did you ever
get to know me?
because it has never
been so plain to see

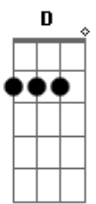

and when you say you won't forget me
I can tell you that's untrue
because everyday since you left me
I've thought less and less of you
and I've worn out all the reasons to keep on knocking at your
door
could be the changing of the seasons but I don't love you
anymore

the door is open
you whisper to me
as you stood frozen
in deep uncertainty
I hope that you know

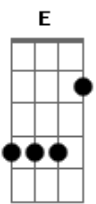

that I am thinking
before you go
with your heart sinking
and when you say you won't forget me
I can tell you that's untrue
because everyday since you left me
I've thought less and less of you
and I've worn out all the reasons to keep on knocking at your
door
could be the changing of the seasons but I don't love you
anymore

any more
any more
D you said come back and spend the night, come back and spend
the night with me
and when you say you won't forget me
I can tell you that's untrue
because everyday since you left me
I've thought less and less of you
and I've worn out all the reasons to keep on knocking at your
door
could be the changing of the seasons but I don't love you
anymore
