

# Two Door Cinema Club - Come Back Home

Tom: Eb  
Intro: 2x: Cm Gm Cm Gm

Cm Gm Cm  
Another Saturday, another careless move

Tell the world that you're thinking of what to do  
A window opens up and some one calls your name  
But I can tell you don't know how to play this game

I know this isn't it  
You'll hit your target some day

So now your on your own  
Won't you come back home  
To see you're not that kind  
And find the strength to find the strength  
To find another way (4x)

Cm Gm Cm  
So tell me what you need and I'll accommodate  
But if too long goes by you just might be too late  
An opportunity you can't afford to waste  
So have the lines in your head first for heaven's sake

Gm Ab Cm  
You hear the day beckoning  
Know what its all in your head

So now your on your own  
Won't you come back home  
To see you're not that kind  
And find the strength to find the strength  
To find another way  
( Cm Gm ) (3x)

So now your on your own  
Won't you come back home  
To see you're not that kind  
And find the strength to find the strength

So now your on your own  
Won't you come back home  
To see you're not that kind  
And find the strength to find the strength  
To find another way
