So what became of loving man?

Oh what became of you?

Familiar as you shook my hand

What was it you meant to do?

Because all could change for one

And all, could change in this new day

She said the devil will want you back

And you'll never find love in an open hand

Shut your eyes, so you see I'm there

And know you'll always have this if you stay this man

She said the devil will want you back

And you'll never find love in an open hand

Shut your eyes, so you see I'm there

And know you'll always have this if you stay this man

(F Am G Dm) (x4)

I lied, this was not for my pride

I know this was my time

She said the devil will want you back

And you'll never find love in an open hand

Shut your eyes, so you see I'm there

And know you'll always have this if you stay this man

So when nobody will take you back

And you'll never find love in an open hand

Shut your eyes, and you'll see I'm there

You know you'll always have this if you stay this man
