

# Two Door Cinema Club - Remember My Name

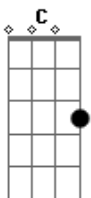

Tom: C

<sup>Dm</sup> Lift the stone,  
<sup>F</sup> It can't be left alone  
<sup>Dm</sup> If I hide underneath  
<sup>G</sup> I give in  
<sup>Dm</sup> Turn the page  
<sup>F</sup> And forgive all my rage  
<sup>Dm</sup> And my pride at belief  
<sup>G</sup> I can win

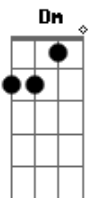

<sup>F</sup> All is good,  
<sup>Am</sup> All is great,  
<sup>C</sup> And it's never too late  
<sup>F</sup> I will live to see another day  
<sup>Am</sup> The rising sun is sure to come  
<sup>F</sup> And I can hide,  
<sup>C</sup> But I can't run  
<sup>Am</sup> And fingertips  
<sup>Em</sup> On dried out lips  
<sup>F</sup> Reminding, too, that they are  
<sup>Dm</sup> One and the same,  
<sup>F</sup> But go by many names  
<sup>Dm</sup> To answer each of them  
<sup>G</sup> Is not a choice  
<sup>Dm</sup> So live unknown  
<sup>F</sup> Until you find a home  
<sup>Dm</sup> Until you find a way

<sup>G</sup> To use your voice  
<sup>F</sup> All is good,  
<sup>Am</sup> All is great,  
<sup>C</sup> And it's never too late  
<sup>F</sup> I will live to see another day  
<sup>Am</sup> The rising sun is sure to come  
<sup>F</sup> And I can hide,  
<sup>C</sup> But I can't run  
<sup>Am</sup> And fingertips  
<sup>Em</sup> On dried out lips  
<sup>F</sup> Reminding, too, that they are  
<sup>F</sup> Only running round in circles every time  
<sup>F</sup> And it won't end  
<sup>G</sup> Until they understand  
<sup>F</sup> And I've been waiting for that moment on the line  
<sup>F</sup> And it won't bend  
<sup>G</sup> So take me by the hand  
<sup>Am</sup> The rising sun is sure to come  
<sup>F</sup> And I can hide,  
<sup>C</sup> But I can't run  
<sup>Am</sup> And fingertips  
<sup>Em</sup> On dried out lips  
<sup>F</sup> Reminding, too, that they are one  
<sup>Am</sup> And all that's passed  
<sup>Em</sup> Will make it last  
<sup>F</sup> If you never find a way  
<sup>G</sup> To remember my name
