Will you wait for me, oh

Refrão
C
Though
Am
I'm far away
Em
I know I'll stay, I know I'll stay
G
Right there with you
C
And though

It might be too late

What would you say? What would you say?
G
What would you do?

D Am C Em

It might be too late
Em
What would you say? What would you say?
G
What would you do?

C Em
Over and over many setting suns
D Am
I have run, I have waited for the rain to come

When through that mist I see the shape of you
D Am
And I know, and I know that I'm in love with you

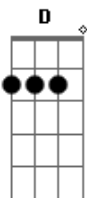

C Am Em G

Refrão

I'm far away

What would you do?
