

Two Door Cinema Club - Sun

Tom: G

^D ^{Am}
Ocean blue
^C ^{Em}
What have I done to you
^D ^{Am}
Cut so deep
^C ^{Em}
Yet growing through and through

^D ^{Am} ^C ^{Em}
^D ^{Am} ^C

^D ^{Am}
Drawn apart
^C ^{Em}
New York and London
^D ^{Am}
All I see now
^C ^{Em}
Are distant drumlins
^D ^{Am}
The roads I knew
^C ^{Em}
Became a city
^D ^{Am}
Then I wonder
^G
Will you wait for me, oh

Refrão

^C
Though
^{Am}
I'm far away
^{Em}
I know I'll stay, I know I'll stay
^G
Right there with you
^C
And though
^{Am}
It might be too late
^{Em}
What would you say? What would you say?
^G
What would you do?

^D ^{Am} ^C ^{Em}
^D ^{Am} ^C ^{Em}

^D ^{Am}
I built a hive
^C ^{Em}
Became one with the bees

^D ^{Am}
But we fell like rain
^C ^{Em}
Got lost into the sea
^D ^{Am}
If I don't know
^C ^{Em}
The wind will carry me
^D ^{Em} ^G
So just hold tight

Refrão

^C
Though
^{Am}
I'm far away
^{Em}
I know I'll stay, I know I'll stay
^G
Right there with you
^C
And though
^{Am}
It might be too late
^{Em}
What would you say? What would you say?
^G
What would you do?

^C ^{Em}
Over and over many setting suns
^D ^{Am}
I have run, I have waited for the rain to come
^C ^{Em}
When through that mist I see the shape of you
^D ^{Am}
And I know, and I know that I'm in love with you

^C ^{Am} ^{Em} ^G

Refrão

^C
Though
^{Am}
I'm far away
^{Em}
I know I'll stay, I know I'll stay
^G
Right there with you
^C
And though
^{Am}
It might be too late
^{Em}
What would you say? What would you say?
^G
What would you do?
