Everyday she sees her life
 Fade away, and pass her by

What can she do?
 What can she do?

Wants to leave her lonely town
 Wants to go and fuck around

What can she do?
 What can she do?

Em C Bm

It's her life
 It's her life
 It's her life
 It's her life

It's her life

 Sell her house and move along

What can she do?
 What can she do?

Lives in dreams and self-told lies
 Sees the world through jaded eyes

What can she do?
 What can she do?

It's her life
 It's her life
 It's her life
 It's her life
