

# Two Feet - Lost The Game

Tom: A

m

[Primeira Parte]

You tell me I've lost it  
 And tell me I'm off  
 I won't fight with you girl  
 Know that you're right  
 And know that I'm wrong  
 You say that you're going  
 I know that you're gone  
 I've been too controlling  
 Fucked with your motives  
 You're moving on

[Pré-Refrão]

And what can I do, I do, I do?  
 I know it's over

[Refrão]

'Cause I lost the game, I can't get lower  
 'Cause your pain it's taking over  
 I lost the game, I can't get lower  
 Lost the game, lost the game, the game, the game

[Segunda Parte]

I think that I messed up  
 I think that I'm off  
 I won't fuck with you girl  
 'Cause it ain't right

Nah, baby, it's wrong

[Pré-Refrão]

And what can I do, I do, I do?  
 I know it's over

[Refrão]

'Cause I lost the game, I can't get lower  
 'Cause your pain it's taking over  
 I lost the game, I can't get lower  
 Lost the game, lost the game, the game, the game

[Ponte]

I'm falling back down here now baby  
 My mind is collapsing, I'm crazy  
 I'm falling back down here now baby, now baby  
 I'm falling back down here now baby  
 My mind is collapsing, I'm crazy  
 I'm falling back down here now baby, now baby

[Refrão]

'Cause I lost the game, I can't get lower  
 'Cause your pain it's taking over  
 I lost the game, I can't get lower  
 Lost the game, lost the game, the game, the game  
 Lost the game, I can't get lower  
 'Cause your pain it's taking over  
 I lost the game, I can't get lower  
 Lost the game, lost the game, the game, the game.
