

# Ty Herndon - It Must Be Love

Tom: E  
Intro: E A E A E  
E  
I just dropped her off, I'm thinking "Oh what a night"  
E E AE  
I ought to be flying but I'm sittin here at this green light  
A AE  
I thought I was in control, thought I knew where I wanted to go  
B  
She's got me turned inside out, I'm wonderin' what it's all about

E A B  
Is she there in your dreams? I don't know, I can't sleep  
E A B  
Is she breaking your heart? Yeah, but isn't it sweet?  
Dbm A B  
(then bass walk)  
Does she know how you feel? It's right on the tip of my tongue  
E A  
Are you walking on air? Well I'm sure feeling tall  
E A B  
Does she trouble your mind? It's no trouble at all  
E A B E  
Oh I don't know but something tells me it must be love.  
-----

Verse 2  
E E AE

I just missed my turn, guess I'm not thinking straight  
E E  
AE  
Oh and what's with this car, it's driving me back to her place  
A E  
I'm out here circling around, I've already covered this ground  
B  
These feelings just can't be denied, so what am I trying to decide

repeat chorus

Leads...  
repeat chorus  
then...

E A B  
Does she trouble your mind?  
B  
It's no trouble at all  
E A B E  
Oh I don't know but something tells me it must be love.  
E A  
I don't know but something tells me  
E A B E  
Oh I don't know but something tells me it must be love  
E A  
I don't know but something tells me  
E A B E AE  
Oh I don't know but something tells me it must be love.
