

Ty Herndon - No Mercy

Tom: Bb

Don't think 'I'm sorry' is what we need to say
 Don't think 'forgiveness' is why we're here today
 Guilty. We're both guilty. Let's walk through that door.

A second chance is what I'm talking about
 Let's take the hurt and turn it inside out
 Lay it on me baby till I can't take any-more

CHORUS:

No mercy. Show me no mercy.
 Love me all night long and don't hurry (1.) And don't hurry)
 (2.)hurry)
 Take it slow and easy. No mercy to-night (No mercy. Show me no
 mercy)
 Hold me baby. You know I've been hurtin'
 Love this love back to life cause it's worth it
 Love me strong baby. Show me no mercy to-night.

Remember when we thought that being a part
 would be the best thing for both of our hearts
 It's a prison out there when you're living alone for sure

Now I know how much I really missed you
 No more games just want to be with you
 Just give me all your love till you can't give any-more

Bridge:

In the silence of the early hours
 I look at you and I feel the power
 Don't need promises to make it right
 Let's just follow what we're feeling in-side

Go to lead, to ending

ENDING:

(No mercy. Show me no mercy to night)
 Hold me baby. You know I've been hurtin'
 Love this love back to life cause it's worth it
 Love me strong baby. Show me no mercy to-night.
 (No mercy. Show me no mercy)
 No mercy. Show me no mercy to night
 (No mercy. Show me no mercy)
 Love me strong baby. Show me no mercy to-night.
 (No mercy. Show me no mercy)
