## Ty Herndon - What Mattered Most

Tom: C Intro: C C F C is in my life С С G С Am I thought I knew, the girl so well I meorized her ev'ry move F7M F С С if she was sad, I couldn't tell I knew her books, her car, her clothes C C С С F С G I missed the point, I missed the sings but I paid, no attention to what mattered most F so if she's gone, the fault is mine Dm Verse 2 I know, I know, a whole lot of little things I never asked, she never said Dm And when she cried I turned my head and even though,  ${\rm I}$  could face them one by one She dreamed her dreams behind closed doors G7sus That made them easy to ignore she would still be gone And I know, I know, I missed the forest for the trees Now all I have to show Chorus Or would she walk out the door? C G7 The cold facts and nothin' more Her eyes are blue Chorus C her hair is long F Chorus 2 sixty four Her eyes are blue, her hair is long, sixy four she was born, in Batton Rouge, С she was born Her father's tall, her mother's gone, She moved out when she was two, C G in Batton rouge The way she laughed, the way she loved, С Oh my God what did I do?

the very song
