

Ty Tabor - Thank God

Tom: D

Intro 2x: Bm D G A

I am beaten down
 I am broken ground
 I have lost my found
 But I'm not done
 I have everything
 But I am nothing
 Just a squirming bug
 Under a rug
 But I thank God for everything

(Thanks for everything) (Repete 2x)

Thank God for everything
 (Thanks for all)

There's a road ahead
 We all end up dead
 Some get there ahead
 Some hang on

I will take a step
 Than another step
 'Cause I find it helps me
 Not to stall
