

# Tyketto - The End Of The Summer Days

Tom: Gb

( D. Vaughn, M. Clayton, B. St.James )

Intro: Gb B (Bb )

)

There's an old pair of sneakers dangling from a wire

And my old rusty engine is in need of some brand new tires

And from my front steps, the last of the weekend vettes goes blasting by

Won't be nothing so cold as this beach in the winter time

Chorus:

Sun's been down since you've been gone, and I don't know why or for how long

The same old record played

I've been trying to move along, but I keep on singing the same old song

The end of the summer days, end of the summer days

Repeat intro: Gb B (Bb )

Verse 2:

I can still hear you laugh, with your hair blowing back in my car

I can still feel your curves, when we danced in that boardwalk bar

And I can still taste your lips from that one last stolen kiss

By the firelight

Won't be nothing so cold as this beach in the winter time

Chorus:

Sun's been down since you've been gone, and I don't know why or for how long

The same old record played

I've been trying to move along, but I keep on singing the same old song

and repeating Gb B

End of the summer days, oooh

(Solo)

(Bridge)

(Verse)

Chorus:
