tom:  
 Capotraste na 1ª casa  
 Intro: Bm D G  
 Bm D D

[Primeira Parte]

Bm D G  
 My father taught my home is where the hurt is  
 Bm D G  
 So I built a fortress where I lived alone  
 Bm D G  
 He said ships where never meant to have a harbor  
 Bm D G  
 So I've worn his armor, I've fought and flown

[Refrão]

A  
 I was raised a soldier  
 Put my weapons down to hold you  
 Bm  
 Is a kiss an act of war?  
 Gbm  
 I just tried to keep you warm  
 G  
 Even though I couldn't stay  
 No, you never looked away  
 A  
 Now I can't look away

G  
 Would you meet me in the middle?  
 D  
 Could we both stop keeping score?  
 A  
 There's a battle I must fight alone  
 Bm  
 But it's you I'm fighting for  
 G  
 If I call off the battalion  
 D  
 Break my walls down stone by stone  
 A  
 Tear down my defenses  
 Bm  
 I could build your heart a home  
 G A  
 And if I did  
 ( Bm )  
 Would you come home?

( Bm D G )  
 ( Bm D D )

[Segunda Parte]

Bm D G  
 Together we could quiet all the noises  
 Bm D  
 Drown out the voices  
 G  
 Play our own song  
 Bm D G  
 Boys becoming men under the desert sky  
 Bm D G  
 But something dark inside said it was wrong
