                                                                Dare You to Light That Fuse
Intro: Bm D A Em
Woh oh oh
                                                                'Cause I Can Be a Loose Cannon
[Primeira Parte]
                                                                   Cross the Line I?ll Call Your Bluff
Hand on the Bible
                                                                Promise When Push Comes to Shove
                                                                That You Don?t Want That Smoke
I?m a Decent Man
No I Ain?t Perfect but I?m
                                                                Better the Devil You Know
Learning How to Be the Best I Can
                                                                Than the Devil You Don?t
But I Got Demons
                                                                Woh oh oh
Collecting Dust
                                                                  Woh oh oh oh
And I Buried Them So Damn Far Down
                                                                You don't wanna know the devil you don't
So They Can?t Find Their Way Back Up
                                                                [Pré-Refrão]

Don't pull the trigger
                                                                  Woh oh oh
Try your luck
                                                                  Woh oh oh oh
If you shoot your shot better pray to God
                                                                (You don't wanna know the devil you don't)
That I don't get my ass back up
                                                                  Woh oh oh
'Cause you won't get your ass back up
                                                                  Woh oh oh oh
[Refrão]
