

Tyler Childers - Charleston Girl

Tom: C

apotraste na 1ª casa

Charleston girl in a darkened room
 And you don't know her like I do
 We took the fire escape to her room
 And got stoned, ragin blind
 Left my money in the trustin hands
 Of them ol steel brothers and fast crash band
 One day I'm gonna drive up there and give them half my mind
 (G)
 I don't know if it's the wine or the coke
 That makes her sound like her jaw is broke
 She's workin hard to make some sense, but she ain't got a dime
 I wish to god that I could help her out
 I wish I knew what she was talkin bout
 I wish to god that I could get away

but I'm way too drunk to drive
 All I know is that when I am good and sober
 I am leaving West Virginia for a while
 don't know why but every time I cross that river
 Lord, there's somethin tears me up, Makes me wild
 Charleston girl with raven hair,
 bloodshot eyes and skin so fair
 I believe if I could find my keys Id try to drive away
 I never planned to leave so soon
 I didn't know that he was sweet on you
 Go ahead and take her
 Cause she ain't worth the time
 All I know is that when I am good and sober
 I am leaving West Virginia for a while
 Don't know why but every time I cross that river
 Lord, there's somethin tears me up, Makes me wild
