G Bm
Here I come, come to you
D Em G Bm
In the very clothes that I killed
D Em
Killed you in, now I know I'm alone
G Bm D Em
I walk to you, rain falls from you
G Bm D Em
Can you wash me, can you drown me?

[Primeira Parte]

G
I wanna be a lot of things, so much pent up inside of me
Bm
I want to be stronger too long I've sat here undecidedly
D
Planning strategy, half of me knows it's all just a fallacy
Em
Failing miserably, drastically and then I crash dramatically
G
Into a wall, I've hit a hundred times before
Bm
Yet I still ignore the dark red bloodstains on the floor
D
Now I'm back in front of you, Lord, with blood on the floor
Em
Is the blood mine or yours? Don't wanna DO this anymore
G
Back and forth between being me and who you're callin' me to be
Bm
You see a man free who thinks he has to buy a key
D
To a door but he can't, 'cause he's poor and he can't
Em
Fall down anymore 'cause he's already on the floor
G
And his heart is broken and all and this is his call
Bm
But it's more of a cry 'cause he will try nine times
D
To realize nine crimes but he has more than nine lives
Em
So he picks himself up and keeps climbing for the prize again

(D)

G
Every time I feel selfish ambition is takin' my vision
Bm
My crime is my sentence repentance is takin' commission
D
It's taking a toll on my soul I'm screamin' submission and
Em
I don't know if I am dyin' or livin'
G
'Cause I will save face, for name's sake abuse a grace
Bm
Take a aim to obtain a new name in a newer place
D
But my name is lame, I can't walk and I ain't the same
Em
And my name became a new destiny to the grave and
G
They say the oceans' blue, but it's black right now
Bm
In the dark, on the sand, looking out at my crowd
D
Depression and drowning singing now the full parts
Em
And the lightning reveals where the ocean stops and the sky starts
G
I've been told by the sky that the ocean I shall win
Bm
But It's hard for me to see where the ocean stops and sky begins
D
And random srtikes of light remind me of what is true
Em
But right now the ocean is blacker than black and the sky is too
