[Primeira Parte]

Gm Bb Dm F  
 You once were, oh so close, but I don't remember  
 Gm Bb Dm F  
 Where you are, and who you know, but come this September

 You must find, find your home, and it won't get much better

Eb  
 I try so hard  
 Bb F  
 To fly but my heart  
 F  
 Won't go very far  
 F  
 No, no  
 Gm  
 And my own, two, hands  
 Eb  
 Will start bleeding again  
 Bb  
 And the floor, will, turn, to  
 F  
 To, a, Hole In The Ground

[Segunda Parte]

Gm  
 The plans that I make, roads that I take  
 Bb  
 Break to holes that will go where I don't know  
 Dm  
 They are solid ground illusions  
 F  
 That write themselves off as perfectly normal solutions  
 Gm  
 Pollution's in my eyes, my disguise  
 Bb  
 Will take me, break me, won't save me this time  
 Dm

There's a vision, but you won't save me this time  
 F  
 My decision for livin' isn't mine to decide and  
 Gm Bb  
 You just seem, oh so far  
 Dm  
 Past the stars and past my heart  
 F  
 I can almost feel you and I start  
 Gm Bb  
 To close my eyes and sing a song  
 Dm  
 I'll keep singing 'cause I'm wrong  
 F  
 But you were singing with me all along

[Refrão]

Eb  
 I try so hard  
 Bb F  
 To fly but my heart  
 F  
 Won't go very far  
 F  
 No, no  
 Gm  
 And my own, two, hands  
 Eb  
 Will start bleeding again  
 Bb  
 And the floor, will, turn, to  
 F  
 To, a, Hole In The Ground

[Ponte]

Bb F  
 Do not be alarmed, If I fall into the sun  
 Gm Bb  
 If I fall!  
 Gm  
 My own, two, hands  
 Eb  
 Will start bleeding, and, then  
 Bb  
 They will lower, me, in, to  
 F  
 To, a, Hole In The Ground
