## Tyler Joseph - Taken By Sleep

Tom: G Intro: G C Em And I don't know if I know, but I know I want to see your face D today [Primeira Parte] Somebody told me that they saw you cry and break down It just hit me as I lay my head down Do you know how hard that is to get around and think about? No one around in the dark cold night I hear a sound It's not like you to let emotions get the best of things In my head, repeat track of everything you've ever said Especially when everything is hanging in the air we breathe D Must be something, but it's nothing, so I just go back to bed [Refrão] It's four, crack the door to the hallway in my dreams And I just can't believe it has to be this way But it seems that my hallway keeps closing in on me You know we say it seems to me that it was just the other day Fm Forcing me out, making me think about you and how you're gone Em I saw your face and saw your light, you ran the race you I see four-o-five with teary eyes and then I write this song fought the fight [Refrão] But now It's just being torn down for me tonight And I know it might be a little selfish for me to say And I just can't believe it has to be this way But I need to know if you thought of me at all today You know we say it seems to me that it was just the other day Em 'Cause every day I walk past the place you left five days of Em I saw your face and saw your light, you ran the race you the week fought the fight D And now it's ten after four, and I am taken by sleep D But now It's just being torn down for me tonight [Ponte] And I know it might be a little selfish for me to say G And I'll sing a song to you my friend But I need to know if you thought of me at all today Fm 'Cause every day I walk past the place you left five days of I'll sing a song to you my friend the week I'll sing a song to you my friend D And now it's ten after four, and I am taken by sleep Fm D I'll sing a song to you my... let's go! [Segunda Parte] G Em Yeah yeah yeah yeah C And I'll sing a song to you my friend Spending hours on end, deciding on what I'll sing a song to you my friend

(G C Em D)

I'd say to a friend if I ever saw him again

'Cause I don't know if I know, don't wanna come across the wrong way
