

# Tyler Joseph - Tonight

Tom: C

F Am  
The young boy wants to move ahead  
E Am  
And the old man sings rewind  
F Am  
I wonder when in this time line  
E Am  
We'll break to the other side

F Am  
Maybe there's a span of time  
E Am  
When we feel we're neither nor  
F Am  
Not wanting to go back again  
E Am  
And not wanting to go forth

F Am  
The point in life must be  
E  
Pretty dark and hopeless  
Am  
Terrifying  
F Am  
And if you're asking me when that is  
F Am  
It must be tonight  
E Am  
It must be tonight  
F Am  
It must be tonight  
E Am  
It must be tonight

F Am  
The old man sits all by himself  
E Am  
and thinks of better years  
F Am  
When he used to believe in stars  
E Am

And would dream away his fears  
F Am  
The young boy moves so fast he doesn't  
E Am  
See the stars above  
F Am  
And all his dreams are crushed by old man  
E Am  
Who didn't dream enough  
F Am  
We must all agree  
E Am  
There's a point in life when darkness breaks our  
F Am  
Brittle hopes and dreams  
E  
And I'd say  
F Am  
It must be tonight  
E Am  
It must be tonight  
F Am  
It must be tonight  
E Am  
It must be tonight  
F Am  
It must be tonight  
E Am  
It must be tonight  
F Am  
It must be tonight  
E Am  
It must be tonight  
F Am  
Stay with me  
F Am  
And it must be tonight  
E Am  
It must be tonight  
F Am  
Save me tonight  
E Am  
it must be tonight
